

0-4 year olds – questions to encourage discussion

Many children have been hurt, injured and some have even been killed when they are walking, playing outside or travelling in a car.

We want to know how safe you feel when you are playing, walking or travelling in a car?

Playing

Do you live in the countryside or in a street with lots of houses or apartments?

Is it safe to play on the street? If Yes/No why?

Where is it dangerous to play?
